Private lessons and group courses - Student brochure.

Our mission

Providing every student with a quality teacher. Wherever. Whenever.

Quality guarantee

- We strive to be an online school, not a matching platform. All our teachers go through a quality check process.
- We review the teaching experience and education certificates of all our teachers.
- All our teachers are interviewed before being allowed to teach or matched to a learning group.
- We provide training materials to our teachers to guarantee a uniform teaching quality.

Our clients

How to start taking classes?

1. Make sure we have all necessary information of your request. The more detailed you describe your request, the better we can help you.
2. Your account manager confirms your group.
3. We send your group to matching teachers.
4. You receive pricing offers of teachers.
5. Choose a teacher, and you can begin your lessons!

Trial lesson

- Depending on the teacher, you might be able to take a free trial lesson or not.
- If the teacher does not offer a free trial lesson, you have to pay one lesson hour upfront, after which you can decide to continue your lessons or not.

**Relax! Our
support team
is on it.**

- You get a personal account manager assigned who is responsible for the teacher search, and screening the quality of your teacher.
- Our support team makes sure you don't waste time searching a teacher yourself, or taking lessons with a low quality teacher.
- You can reach our support team by Facebook, Email or telephone.

Teaching location

- We offer on site lessons in a limited amount of cities
- We do highly recommend to take online lessons.
 - Save transportation costs (depending on the teacher).
 - Learn whenever and wherever.
 - Access to our best tutors.
 - No risk, just take a trial lesson!
